SUBJECT: Cypriot Property Title Deeds  
(please specify)

## TEXT:

Following the lobbying by many UK MEPs in coordination with the Cyprus Property Action Group, it is gratifying that the Commission as part of the Troika has ensured that the title deed issue is addressed by Cyprus as part of the bailout conditions.

Nevertheless, in order to eradicate any doubt could the Commission please confirm that all buyers who have hitherto paid in full for properties will have access to their deeds, without exception, as a result of this exercise? Furthermore, could the Commission also confirm that none of these deeds will have any encumbrances placed upon them?
